Lax Sports Network to produce the 2nd Annual World Lacrosse Beach Festival

BOSTON, MA – Lax Sports Network, a 24-hour digital sports network dedicated to the sport of lacrosse, today announced the network plans to produce content from the 2nd Annual World Lacrosse Beach Festival on September 17th and 18th, according to Chief Operating Officer **Rob Wallace**.

"Lax Sports Network is excited to work with Casey and the Casey Powell World Lacrosse Foundation. What better way to follow the mission of the foundation than to bring the excitement and community of the sport of lacrosse to the sand and surf. This event is a great example that lacrosse is not restricted to a season, playing surface or recruitment headlines. It is also about fun, creativity and purpose," said Wallace.

Travis Eldridge will be in Florida for Lax Sports Network with interviews and flavor from the Beach Festival, including a one-on-one with Casey Powell. Lax Sports Network will also stream the professional Speed Lacrosse game from Siesta Key Beach on Saturday, September 17th beginning at 4pm ET. Scheduled players to appear in the pro Speed Lacrosse game are Casey Powell, Jordan Hall, Brendan Fowler, John Galloway, Connor Buczek, Nick Cotter with JoJo War Drummer returning to the sand creating the heartbeat of the event.

"We are both honored and excited for Lax Sports Network to broadcast the World Lacrosse Beach Festival. It will give lacrosse fans around the world the opportunity to see the amazing stories that CPWLF supports and showcase the hottest new variation of the sport, Speed Lacrosse," said Founder, Casey Powell and Executive Director, Heather Chase O'Neill.
